The room rate

The cost of the room, whether there be single, double, or triple occupancy, is \$139.81. The cost may be shared among occupants upon check-in at the hotel registration desk. The rate is inclusive of the hotel occupancy tax. Individuals who are tax exempt must provide a tax exemption form in order to verify their tax exempt status. The above rates include overnight accommodations only. Meal options are addressed on the "Conference Registration" form on our website: www.FamilyInvolvementConference.com.

Be sure to register immediately

The cutoff date for hotel reservations is September 19th. After that date, room requests will continue to be accepted on an "if available" basis at prevailing non-group rates. Our room block is limited, so in order to insure a room at our conference venue, it's highly recommended that you make your reservation immediately. In previous years, our room block was sold out well before the cutoff date.
